answers to geometry house flip project - Bing

This is an Area and Perimeter book that I created last semester to review with my level classes. I decided to use this foldable instead of my Area and Perimeter Flip-book (click here for previous post) because I wanted to give my students time to complete their Dream House Project in class.

Editable Area and Perimeter Foldable | Mrs. Newell's Math

Geometry: Area of Triangles and Polygons - MATH Find the area of right triangles, other triangles, special quadrilaterals, and polygons by composing into rectangles or decomposing into triangles and other shapes.
