

### **Globalization Steger Chapter Summary**

Steger distinguishes between globalization and three types of globalism – market globalism, jihadist globalism, and justice globalism in chapter 7. Globalization is a social process, while globalism is an ideology that endows a concept of globalization with a particular concept or value. He considers market globalism the dominant ideology of our time, and believes that there are five major ideological claims of market globalism. When discussing justice globalism, the book uses, by way of ...

Globalization first appeared in the 1940s, but did not gain widespread traction until the 1990s. It is sometimes mistaken for an unstoppable juggernaut 'Americanizing' the world. However, a more nuanced understanding of the interactions between the local, national, regional, and global. Indiscriminate use of the word 'globalization' is confusing. Globalization is a set of social ...
