If there is any vital content missing from your textbooks, we will find supplemental material for you and link it right to your digital pacing calendar. We also label every assignment in the calendar with the components of Explicit Direct Instruction - so teachers can instantly see if the book is missing a good Learning Objective or Independent Practice activity - and they can add it in!

GO Math! Planning Guide 2017-18

My district recently gave myself and two of my co-workers the task of completely revamping our math pacing guide and moving away from our math series to more of an exploratory math group approach (Yay!). We just met the other day and it was hard to combine two different schools of thought when some were still stuck in their "old ways." I'm going to share your first grade pacing guide with my ...
